

ENVIRONMENTAL POLICY

KITZ CORPORATION OF EUROPE, S.A. is a Spanish company, 100% owned by KITZ CORPORATION, Japan, which is dedicated to the design, manufacture, marketing and provision of services related to industrial valves and other linked products.

The Company is committed to protecting the Earth's environment. To minimize the environmental impacts on our activities, products and services, we must:

Comply with the applicable legal requirements and other requirements that the company subscribes in relation to its environmental aspects, including those referring to relevant stakeholders in environmental matters.

Prevent pollution, reduce waste and minimize the consumption of resources, considering a perspective of the environmental life cycle.

Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.

Encourage the protection of the environment among suppliers and subcontractors.

The Company is committed to the continuous improvement of environmental performance, for which, as a tool for management assistance, it supports its operations with respect to compliance with ISO 14001:2015 and establishes the environmental objectives considered necessary.

This policy will be communicated to all staff, contractors and suppliers, and made available to the public and all relevant stakeholders.
